MEMORANDUM FOR SPECIAL AGENT IN CHARGE JOHN B. LITTLES

RE: REPORTED

Attached will be found logs from the taps on telephones numbers 125 and 648, for Feb. 6, 1957 and Feb. 8, 1957, the plant being located at 207 Laurel St., Hot Springs, Arkansas.

The taps on telephone 125 and 648 were replaced by Special Agent J. W. Jones at 7:50 am. on Feb. 8, 1957, as you have been previously informed.

The reference made by Hazel Marsh, secretary to Mayor Holea-Gold, of "someone plugging in" on telephone 648 in the conversation at 9:25 am. on Feb. 6, 1957 over 648 probably refers to same person located at the City Health Department which has an extension phone on this same number plugging on the line. Her statement apparently has no reference to possible "tapping" of telephone number 648, and apparently she has no suspicion that this telephone is being tapped.

Respectfully submitted,

C. P. Sullivan,
Special Agent,
Top on #123 (Police Dep)
Hot Springs, Ark.
Plant at 207-Laurel.
